

151 Diamond CTE™

Barrier entrance mat with Aqua Dam

151 Diamond CTE™ Dust Control Matting - Carpet Mats

Strong barrier entrance mat with “Aqua Dam” carpet covered rubber reinforced borders on all 4 sides. The textile top surface is high pressure moulded into a raised diamond strait pattern that works double duty to remove and trap dirt and moisture.

- The durable crumb rubber backing provides maximum strength
- Can hold up to 4 litres of water per square meter
- Cleated backing minimizes movement on all surfaces and keeps mat elevated allowing wet hard floors to dry underneath

- Indoor/Outdoor
- For placement inside entrances in schools, universities, public buildings, sports facilities, shopping malls
- Light traffic

Recommended use

Dust Control Matting - Carpet Mats
