- (EN) Be careful of the sharp edges, please make sure to use gloves.  
 Find out the parts listed, well organize the position as showed in the picture and fix the parts by screws(F1).  
 Make sure the base in a perfect square shape.  
 Make sure the base bars are assembled in a perfect square. There are extra holes on these base frame, these can be used to secure the shed to wooden foundation or concrete pad.
- (FR) Veuillez utiliser des gants de protection, certains éléments pouvant être tranchants.  
 Repérez les pièces concernées, disposez-les comme c'est indiqué sur le schéma et fixez-les avec les vis (F1).  
 Assurez-vous que la base est parfaitement d'équerre lors du montage.  
 Des trous supplémentaires existent sur la base. Ils peuvent servir à l'ancrage de votre garage sur votre fondation, pour une meilleure stabilité dans le temps.
- (DE) Tragen Sie beim Aufbau Schutzhandschuhe, da einige Elemente scharf sein können.  
 Suchen Sie sich die erforderlichen Teile heraus, ordnen Sie sie wie auf dem Schema angegeben an und befestigen Sie sie mit den Schrauben F1. Achten Sie darauf, dass der Bodenrahmen beim Aufbau vollkommen rechteckig ist.  
 Es sind zusätzliche Löcher im Bodenrahmen vorhanden, die zur Verankerung Ihrer Garage am Fundament genutzt werden können, um eine bessere Stabilität zu gewährleisten.
- (IT) Utilizza dei guanti di protezione: alcuni oggetti possono essere taglienti.  
 Trova gli oggetti in questione, disponili in base a come è indicato sullo schema e fissali con delle viti (F1).  
 Assicurati che la base sia perfettamente quadrata durante il montaggio. Sulla base ci sono dei fori aggiuntivi; gli stessi possono servire al fissaggio del garage sulla tua base per una maggiore stabilità nel tempo.
- (ES) Utilice guantes de protección, algunas piezas pueden cortar.  
 Localiza las partes en cuestión, colócalas tal y como se muestra en el boceto y fíjalas con los tornillos (F1).  
 Asegúrate de que la base sea perfectamente cuadrada al montarla.  
 Existen huecos adicionales en la base que se pueden usar para anclar la cochera en la base, para una mejor su estabilidad.

(EN) **Warning: DO NOT COMPLETE THIS STEP ON WINDY DAYS.**

Find out the parts listed. Place panels on the base one by one, fix the bars on the middle of wall synchronously to avoid the collapse of the wall.

(FR) **Attention : NE PAS PROCEDER AU MONTAGE LORSQU'IL Y A DU VENT.**

Sortez tous les éléments listés des cartons. Placez les panneaux sur la base, un par un et fixez l'armature du milieu de panneaux de manière synchronisée, pour éviter l'effondrement des panneaux.

(DE) **Achtung: BAUEN SIE DAS PRODUKT NICHT BEI WIND AUF.**

Nehmen Sie alle aufgelisteten Teile aus dem Paket. Positionieren sie die Paneele auf dem Bodenrahmen und befestigen Sie das Gestell von der Mitte der Mitte der Paneele aus, um ein Zusammenstürzen zu vermeiden.

(IT) **Attenzione: NON PROCEDERE ALL'ASSEMBLAGGIO IN CASO DI VENTO.**

Estrai tutti gli elementi dalla confezione. Disponi i pannelli sulla base uno per volta e fissa la struttura centrale per evitare il cedimento dei pannelli.

(ES) **Precaución: NO MONTAR CUANDO HAYA VIENTO.**

Saca todos los artículos enumerados de las cajas. Coloca los paneles en la base, uno por uno, y fija la estructura central para evitar que los paneles se derrumben.
